

## HERBAL PERFECT PARASITE CLEANSE

Products Necessary for Cleanse:

- HP Paractive or CDH Paractive
- ICF #1 (As Needed)
- Herbal Perfect Superfood

***Herbal Perfect Parasite Cleanse to be completed as directed or according to calendar of cleanses.***

The option of capsule or tincture can be client's preference.

- **Parasite Cleanse (CDH Paractive) CAPSULE:** 2-4 capsules A.M. and P.M. until bottle is used. (Or as recommended by Practitioner)
- **Parasite Cleanse (HP Paractive) TINCTURE:** 2-4 Droppers full A.M. and P.M. until 2-ounce bottle is used.
- **RECOMMENDATIONS:** If there are personal pets in the home or the client works around livestock, a parasite cleanse should be done four times a year, most easily remembered as the seasons change, Spring, Summer, Fall, Winter.

**Important:** Please ensure bowel movements continue as normal and communicate with staff if not having optimal bowel movements. If currently taking ICF #1, continue with recommended doses during this cleanse to insure 2-3 bowel movements daily.

*This protocol requires total commitment by the client to achieve successful results. For clients with severe or chronic parasite concerns, this cleanse can be repeated a minimum of three times with a week off between each cleanse.*
